EBC Video Conference

Video Conferences in an Exclusive Atmosphere

Dubai in the morning, Zurich in the afternoon, back home on time in the evening... instead of rushing around the airport, simply come to us. The EBC Business Forum (in Zug) offers video conferencing facilities with state of the art technology in a professional environment. We can gladly provide secretarial services and catering and even organise a simultaneous interpreter on request. Video conferencing saves you time and money:

Meetings are independent of location

Save on high travel expenses for you and your employees

You can fully concentrate on your work in a relaxed atmosphere and go back to your "normal" life immediately after the video conference

Even within Switzerland, you gain a whole working day from one saved business trip

Price **CHF 180 per hour**

Technical Information

HD video technology, offers natural and clear image reproduction
